

# UKS2 Science Reading Bingo

## How it works:

- Read each book, in any order over the course of this academic year.
- On completion of each book add to the Padlet to earn your reward – start your comment with your name.  
- This reading can be logged in your reading record books too.

## Rewards:

- For each book crossed off you will be awarded 5 merits.
- For completing the whole grid, you will get two marbles for your class jar and will be invited to an end of year treat with the other children who have also completed it.
